Directors' Review

The Directors present the un-audited interim condensed financial statements for the third quarter ended March 31, 2015.

Operating Results:

The company continued to face negative returns during the period under review. Energy issues coupled with declining textile sector exports have put local yarn rates under severe pressure. The Directors of your company are of the opinion that remainder of the financial year may continue with this sluggish trend.

Summary of operating result is as under:

Description	Nine months ended March 31, 2015 <i>Rupees '000'</i>	Nine months ended March 31, 2014 <i>Rupees '000'</i>
Turnover-net	2,414,779	2,932,173
Gross profit	97,394	135,150
(Loss) / Profit before tax	(54,322)	9,534
(Loss) / Profit after tax	(88,470)	(19,787)

Earning per Share

The earning per share of your company for the nine months ended March 31, 2015 is PKR. (10.08) as compared to nine months ended March 31, 2014 PKR. (2.25).

Future Prospects

Though raw material (cotton and man-made fiber) prices have been improving, its corresponding positive effect on yarn is yet to be seen. The directors of your company are of the view that stability in yarn rates is a positive development and future prospects may improve considerably if yarn rates start to improve both locally and internationally.

Acknowledgement

Your directors would like to take the opportunity for appreciating support of their shareholders, dedication of company's managers, technicians and workers who are continuously putting their best to achieve their goals. Your directors would also like to put on record the cooperation extended by the company's bankers as well as the reliability of their buyers and suppliers.

For and on behalf of the board

MIAN IQBAL SALAHUDDIN Chief Executive Officer

Date: April 28, 2015 Lahore.
